

Borough of Oradell will be providing up to date information on COVID-19 as it is received in order to keep residents as informed on the situation as possible.

The New Jersey Department of Health has opened a coronavirus hotline to educate the community on the disease. The hotline is being operated by the New Jersey Poison Information and Education System, also known as the New Jersey Poison Center. The 24-hour hotline is staffed continuously with trained healthcare professionals to answer questions about this emerging infection.

**New Jersey's hotline can be reached at 1-800-222-1222.**

This is a rapidly evolving situation. For the most up to date information and health education resources, please visit the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/index.html> and the NJDOH website at <https://www.nj.gov/health/cd/topics/ncov.shtml>.
