Dear Friends and Neighbors,

The Volunteers of The Oradell Fire Department are making our annual request for financial support from the residents and businesses of Oradell. We would like to thank those of you who have been so generous to our organization in the past. Our Volunteers are on call 24 hours a day, 365 days a year to answer your calls for help. The department is currently staffed by 52 fully certified professional volunteer firefighters, who operate two engines, one ladder truck, one squad/rescue, and three support vehicles. In 2015 the department responded to 255 calls for fire, rescue or other assistance.
