

Keller Williams Valley Realty & Pitter Patter Puppy House will be holding an adoption event on May 12, Starting at 10 am in Hague Park (Corner of Oradell Ave and Grove Street) .

We are looking for potential adopters for the dogs that have been rescued by *Pitter Patter Puppy House*. We will also be looking for potential foster homes. Remember when you foster one dog you save two lives, the one who gets the vacant spot in the shelter and the one you foster!

If you are thinking of getting a new family member please **DO NOT** go to pet shops, often they are supplied by puppy mills with horrific conditions.

There are too many homeless animals in the world. Some who have been purchased from puppy mill breeders and pet shops only to be dropped off at shelters because the owner gives up either training, taking care of or just changed their mind about having a pet. There are so many beautiful animals being killed in shelters who deserve a life and a chance to show an owner how **amazing** and **unconditional** their love can be.
Save a life- **ADOPT DON'T SHOP!**
