

Help us Make Oradell a More Beautiful Place!

While you are busy beautifying your home with spring and summer flowers, the **Oradell Beautification and Environmental Committee** is looking to do the same around Oradell such as on Kinderkamack Road, at the train station, library and town hall with our annual plantings. Unfortunately, after years of use, dozens of our Flowerpots have not survived this last winter. We need your help with donations to help us cover the cost of replacements. The suggested amount is \$65, but any amount is welcome!

Checks can be made out to the Borough of Oradell—please make sure to write in Beautification Flowerpot Program in the memo section—and mail your check to the Clerk's Office, Borough of Oradell, 355 Kinderkamack Rd, Oradell, NJ 07649.

Thank you for your support!
