

New State Website Devoted to COVID-19 Business Concerns

Dear New Jersey Employer:

The State of New Jersey has established a special website devoted to business concerns during the coronavirus emergency. The site, cv.business.nj.gov, will be updated as new information becomes available. We encourage you to communicate this with the appropriate individuals within your organization.

In addition, the New Jersey Business Action Center's Helpline is now available from 8:00 am – 9:00 pm, seven days a week. Call 1-800-JERSEY-7 to address any concerns you or your employees have.

Sincerely,

Melanie Willoughby
