

As the weekend is here, some important things to note: Remember this is a fluid situation and the Governor may amend his Executive Orders as needed. Please use www.nj.gov or www.cdc.gov for the latest and most accurate information. We will continue to repost information on www.oradell.org

If you have symptoms such as fever, cough or shortness of breath – call your primary care physician. You may also be tested at the drive through testing site, which is setup at Bergen Community College from 8am to 4pm.
