

Nixle info for 3/29/2020

Text msg: Please continue to follow the Governor's Executive Order and practice social distancing. More in email and www.oradell.org

Email Section:

As we continue to deal with the effects of COVID-19 please remember to follow the Governor's Executive Order and practice Social Distancing. No groups of any kind should be congregating. The state website has all the latest information at covid19.nj.gov

All Borough parks, playgrounds and schools remain closed and off limits to the public.

Local food establishments that remain open have many options for ordering and payment, please continue to support them.

From the DPW: The recycling center is still closed to the public. All curbside recycling and garbage continues as scheduled. Vegetation & brush pickup starts town wide Thursday April 16th. The Recycle Coach app which is a free app and can be downloaded to your phone and contains all the Borough schedules.

From the Fire Department: The fire department remains at 100% capacity. Please meet the fire department outside, if a response is needed to your home. The fire department may be wearing additional personal protective equipment when entering buildings.
