PUBLIC NOTICE

ORADELL POLICE COVID-19 UPDATED POLICE PROCEDURES

The Oradell Police Department is asking all residents to be aware of the following new procedures we will be following to prevent the spread of COVID-19. We will continue to provide the quality service our residents are accustomed too. But in light of the current situation, we must take extra precautions to protect our officers, their families and the community as a whole. Listed below is information on some of the changes we will be incorporating:

1. Our dispatch center will be asking additional questions on all medical calls to help screen potential COVID-19 infected people.
2. Officers will not be entering any homes unless it is absolutely necessary to save lives. Officers will still be responding on calls for service but will be keeping a safe distance from everyone they come in contact with (6 feet). If necessary, they may be wearing personal protective equipment such as masks, gloves, etc.
3. If we are contacted with a non-emergency call, we may utilize telephone communications to prevent unnecessary face-to-face contact.
