

In response to the financial hardship created by COVID -19, the Borough Council has passed a resolution on April 28, 2020 to extend the grace period for second quarter property tax payments and excess sewer charges to June 1<sup>st</sup>, 2020.

Please be advised that unpaid taxes and excess sewer charges after June 1<sup>st</sup> are considered delinquent. Interest on delinquent 2<sup>nd</sup> quarter amounts is charged back to May 1<sup>st</sup>, the first day of delinquency. We are taking this action to assist those who are having financial hardship and encourage all property owners who can pay by May 1<sup>st</sup> to please do so.

Please be aware that Borough Hall is closed to the public as social distancing mandates are still in place. Kindly make note of the following procedures for tax and excess sewer charge collection procedures:

- Payments can be mailed to the Borough of Oradell, Tax Collector  
355 Kinderkamack Road, Oradell, NJ 07649
- Payments can be placed in the black mailbox on the outside wall by the rear doors to Borough Hall
