2016 CALENDAR

FROM MAYOR DIANNE CAMELO DIDIO

DEAR NEIGHBORS:

The members of the Council and I wish you all a very happy, healthy and prosperous New Year! As we embark on 2016, take note of the very valuable information about Borough services, meetings and events in this calendar and focus on the physical beauty of our community, as reflected in the photos in its pages.

More importantly, we should focus on the beauty that is reflected by the residents of our community and their spirit of sharing, caring and support that is exhibited by each and every one who volunteers their time and talent for the benefit of Oradell. Whether you protect our community as a firefighter, crossing guard or auxiliary police, coach our youth, serve on a Borough Board or committee, work with the scouts or our senior citizens, or serve in any other volunteer capacity in our Borough, know that your generous contributions are vital to making Oradell such a special place to live. Thank you for all you do and if you are interested in serving on one of the many boards and/or committees, please contact me.

BOROUGH FORM OF GOVERNMENT

The Borough is governed by a Mayor and Borough Council elected by voters. The Mayor is elected for a four year term. The duties include presiding at meetings of governing body, signing contracts, and appointing various Borough officials and members of boards and committees subject to Council confirmation. The Mayor votes only when there is a tie vote.

There are six members of the Borough Council who are elected at large to serve staggered three years terms of office. The Council approves the annual budget, adopts ordinances and resolutions and determines policy. The council members serve as a chair of various committees and as members of assigned committees.

ADMINISTRATOR

The Administrator is appointed by the Mayor and Council. The Borough Administrator directs all Borough departments in accordance with policy directives as determined by the Mayor and Council. As the Chief Administrative Officer, the Administrator is responsible for the day to day operations of the Borough. Other job functions include serving as the purchasing agent, personnel officer, liaison with Federal, State and local Agencies, and preparation of the annual budget and capital plan for review and approval by the Mayor and Council.

CHIEF FINANCIAL OFFICER

The Chief Financial Officer is a Certified Municipal Finance Officer as required by State law. The C.F.O. is responsible for all financial functions. Some examples are supervising borough funds and investments, maintaining adequate cash flow, monitor budget expenditures, assist in the preparation of the annual budget and act as financial advisor to the Mayor and Council.

BACK YARD COMPOSTING

Composting, nature’s recycling process, is the decomposition of organic materials such as fruit and vegetable waste, leaves and twigs. Composting produces needed nutrients for our soil. Instead of sending these organic materials to a landfill, create your own mulch for your lawn and garden.

Put your fruit and vegetable scraps, crushed eggshells, tea bags, coffee grounds and filters, leaves and twigs into a compost bin. Do not include any meat, fish bones, or fat.. You can purchase the compost bin from the Bergen County Utilities (BCUA).

CUT IT AND LEAVE IT

During the height of the growing season, grass clippings can account for as much as one-third of the solid waste we generate. A 5,000 square foot lawn will produce 2,000 pounds (one ton) of grass clippings per year.

By leaving grass clippings on the lawn mowed, you are letting nature do the recycling for you. This is better for your lawn and our environment, and it also reduces the cost of tipping fees for the disposal of grass clippings.

TAX COLLECTOR

The Tax Collector prepares nearly 2,900 property tax bills, including added assessment bills, and collects and deposits the revenues received. Annual tax bills are mailed as soon as the tax rate is struck by the Bergen County Tax Board. Payments are **due on or before** August 1, November 1, February 1 and May 1. Added assessment tax bills are mailed in October with payments **due on or before** November 1, February 1 and May 1. Thereafter, the added assessment is incorporated in the annual tax bill. An 8% per annum penalty is charged on delinquent amounts owed up to \$1,500 and 18% per annum on amounts in excess of \$1,500 and until property taxes become current. A penalty of 6% will be charged on any delinquency in excess of \$10,000.00 if not paid by the end of the fiscal year.

Paying your taxes when due will not only benefit you but your municipality as well. Each year a tax sale is held on properties which have become delinquent for failure to pay property taxes or special assessments. The Oradell Police Department consists of twenty (20) sworn Police Officers and a secretary. There are thirteen (13) school crossing guards and ten (10) Auxiliary Police members. The department activities are many, including patrol, criminal investigation, traffic control, youth service and crime prevention. The patrol vehicles are fully equipped, including resuscitators and computers that allow patrols access to vehicle and criminal files.

The emergency equipment includes four defibrillators, for which the entire patrol division is trained. The Borough established a Community Policing Program, which includes officers that can assist senior citizens and can provide information on scams and phone callers that target the elderly. The officers are available to address any group that requests it and are making a special effort to help our local residents and business community.

You can contact the Oradell Police Department at (201) 261-0200.

AUXILIARY POLICE

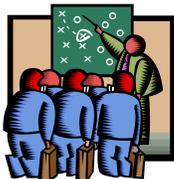

The primary purpose of the Auxiliary Police is to assist the regular Police Department in protecting life and property during natural disasters. As part of their continuing training program these officers carry out volunteer duties such as controlling crowds at public celebrations and sports events; patrolling public parks and recreation areas, and assisting the regular police in traffic control.

Members of the Auxiliary may participate in the activities of the North Jersey C.D. Police Pistol League. The Auxiliary Police is regarded as a good training ground for a career in law enforcement. We will soon be looking to hire additional Auxiliary Officers. Anyone interested should check the police website at www.oradellpolice.org in the near future.

Each member of the Auxiliary Police must attend and successfully complete a training program at the Bergen County Police Academy, and serves without compensation. The Auxiliary Police are in need of additional members. If you are interested in joining this group of dedicated volunteers, contact the Police Desk at (201) 261-0200.

EMERGENCY MANAGEMENT

The Office of Emergency Management is responsible for mitigation efforts to eliminate or reduce the impact or exposure to disasters or catastrophes; plan and practice for emergencies and disaster; respond to these events by coordinating Borough agencies during these events, including obtaining assistance of County and State resources and coordinate any recovery efforts from disasters, including establishing disaster relief centers and shelters should the need arise.

MUNICIPAL COURT

In April 2015, the Borough of Oradell entered a Shared Court Service with the Borough of Paramus. Court dates are generally 2nd and 4th Thursdays of the month, but may be subject to change. Oradell Municipal Court will be held at Paramus Borough Hall, 1 Jockish Square, Paramus NJ 07652. Oradell Municipal Court participates in the New Jersey Judiciary's Internet information and payment center. Most parking and moving violations may be paid via the internet by logging onto www.NJMCdirect.com.

TALKING OR TEXTING WHILE DRIVING can result in \$200-\$400 fine for the first offense; \$400-\$600 fine for the second offense; and \$600-\$800 for third or subsequent offenses. In addition, for a third or subsequent offense, the court may order you to forfeit the right to operate a motor vehicle over the highways of NJ for a period of 90 days in addition to being assessed three motor vehicle penalty points. N.J.S.A. 39:4-97.3.

FIRE DEPARTMENT

The Oradell Volunteer Fire Department was founded in 1897 and currently has 47 active Regular Fire Fighters. In addition, there is a Junior/Auxiliary (age 16 and 17) and a Cadets Program (age 14 and 15).

The Department responded to 300 calls last year. In addition to fire and emergency calls, the Department conducts a comprehensive Fire Prevention Program in the local schools, holds an annual Open House and Fire Safety Fair. They offer fire safety talks to various civic and business organizations in the Borough, and provides support and assistance to other various community projects. Equipment includes: water rescue, vehicle extrication, hazardous material spill containment, high expansion foam generator, emergency lighting, and various other pieces for emergency operations. For more information please visit www.oradellfire.org

TRANSPORTATION FOR SENIORS AND DISABLED INDIVIDUALS

The Borough is sharing a 16-Passenger Van with the Township of Washington which is available to senior residents and disabled individuals on Tuesday and Thursday every week. The van equipped for wheel chair is used primarily for medical appointments or shopping. Occasionally, the Senior Social Club uses the van for recreational or cultural activities. Please call 201-261-8610 to schedule your trip, 48 hours in advance, leave a message with your name and telephone number, you will be called back.

There may also be times when the van is being serviced and not available in which case you can contact the Bergen County Special Transportation at 201-646-3227.

PUBLIC WORKS

The 11 employees of the Department of Public Works are responsible for the maintenance of roads, sewers, parks and playgrounds, shade trees, recycling and all Borough owned vehicles and equipment. The road crew is responsible for repairing and sweeping the 57 miles of Borough streets, maintaining street and traffic signs and Borough parking lots. The Borough storm drain system is also maintained by the road crew. Sanitary sewer lines, manholes and two pumping stations are also maintained by the DPW. All manholes and sewer lines are checked on a regular basis, and problem lines are cleaned as needed.

ANY RESIDENT EXPERIENCING A SEWER BACKUP SHOULD CALL THE DEPARTMENT TO DETERMINE IF THE PROBLEM IS IN THE BOROUGH SEWER LINE BEFORE CALLING AN OUTSIDE CONTRACTOR. The DPW is only responsible for cleaning and maintaining Borough owned sewer mains, not individual service laterals.

Eight ball fields and tree parks are mowed, cleaned, fertilized and kept free of insects and diseases. To report fallen branches or trees, call the DPW at (201) 261-8610, Monday through Friday from 7:00 AM to 3:30 PM, or call the Police Department after normal working hours. From mid-October to mid-December, the DPW picks up approximately 7,500 cubic yards of leaves and transports the leaves to an approved recycling depot.

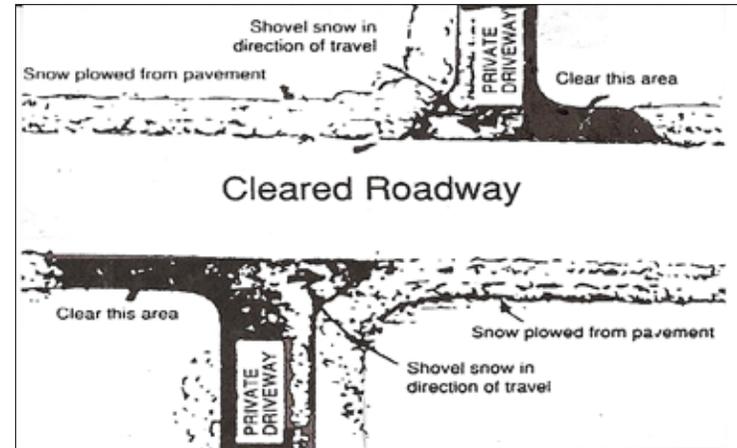

Snow removal from Borough streets is a major function of the DPW. At the beginning of a storm, four salt spreaders are dispatched to salt main arteries and hills. When there is a 2 inch accumulation, ten plows and four salt spreaders are used to clear and de-ice streets. Under a contract with Bergen County, our DPW plows County roads in the Borough and is reimbursed for the cost of labor and materials. Residents can assist Borough snow removal operations by not parking on Borough streets during a snow storm. Residents are advised to remove basketball hoops from the right-of-way along the roadways. This may interfere with our plowing or leaf collection operations and the Borough will not be responsible for damages to these structures. Residents are responsible for removing snow from their sidewalks within 12 hours of daylight after it has fallen pursuant to Borough Ordinance #224.

DON'T THROW SNOW ON THE STREETS

It's against Borough Code to shovel or plow snow in to the streets

The reason it is prohibited is because as the snow melts and refreezes, it causes icy spots which can cause accidents. During a snow storm, plows concentrate on keeping streets clear. **After the storm, the plows will return to widen and clear shoulders.** This can result in a freshly cleared driveway being filled with snow again. It won't happen, however, if you clear the driveway as shown in

the diagram. If you make a small pocket next to your driveway any snow which has accumulated on the plow will fill the pocket instead of your driveway.

CODE ENFORCEMENT

The Code Enforcement Agency office serves as the central permit office for processing all the applications for construction in the Borough in accordance with the provisions of the New Jersey Uniform Construction Code.

The Construction Official serves as the Chief Administrator of the Code Enforcement Agency and is assisted by the technical assistant and the various sub-code officials who are responsible for the administration and enforcement of their respective sub-codes.

Enforcement of various codes is the department's primary responsibility. These include the International Construction Code, International Mechanical Code, National Standard Plumbing Code, the National Electrical Code and Uniformed Fire Code.

The Building Department enforces the Borough zoning ordinance in cooperation with the Health Department, and also enforces conditions imposed by the Board of Adjustment and the Planning Board. In addition, it acts as coordinating agency for the Bergen County Soil Conservation District and the County Planning and Economic Development Board in review of subdivisions and plans.

This office also issues permits and collects fees for filming permits, real estate sign permits, driveway, fence and sidewalk permits. Please call the Building Department regarding when permits are required and for any general questions at (201)261-8005.

RIVER DELL REGIONAL SCHOOL DISTRICT

The River Dell Regional School District was opened on September 1, 1956, and encompasses the two Boroughs of Oradell and River Edge serving students in grades 7 through 12. The total current enrollment is 1,652 students. The district operates two schools: the River Dell Middle School on Woodland Avenue in River Edge (grades 7 & 8) and the River Dell High School on Pyle Street in Oradell (grades 9, 10, 11, 12). The curriculum is structured so that grades seven and eight form a preparatory period for the ensuing four years during which the student follows a suggested curricular pattern based on his/her career interest and post-secondary plans, as well as the Core Curriculum Content Standards.

The high school offers a broad program including Honors and Advanced Placement programs, guidance and special educational services. An interdisciplinary approach with team teaching is featured in several middle and high school courses.

Students are grouped for instruction in academic subjects. A variety of methods and different approaches are utilized by a highly educated, experienced staff; computer assisted instruction; students tutoring other students and diagnostic-prescriptive teaching to help meet the students' needs.

The River Dell Regional High School is a comprehensive high school which offers subjects that will prepare students to reach many different goals. River Dell sends approximately 97% of its students on to college; 91% of the class of 2015 was admitted to a four-year college. The average math score was 573 and the average reading score was 550.

The Board of Education consists of nine members who are elected to serve over-lapping three-year terms of office. There are four members elected from Oradell and five from River Edge.

The Board employs approximately 225 teachers, secretaries, custodians and administrators. Ninety percent of the annual budget is funded by local taxes.

The River Dell Board of Education normally meets on the second and fourth Monday of the month for Executive and Regular Sessions at 8:00 PM, in the high school media center. The public is always invited to participate.

ORADELL PUBLIC SCHOOL DISTRICT

The Oradell Public School District provides high quality educational services to children in Pre-K through sixth grade within a single school facility. It is the mission of the Board and faculty to inspire life-long learning in students through the development of comprehensive, innovative curricula and instruction. Programs are designed to maximize student potential, develop responsible citizens, and promote respect for the uniqueness of all individuals. The district works in collaboration with the River Edge and River Dell schools to craft common curricula and professional development, Pre-K through grade twelve, as a means of enhancing educational continuity. To complement this effort, the Oradell PTA and Oradell Kids Foundation implement mini-grant programs that enable the delivery of a variety of special activities and programs for students.

The Oradell Public School web site provides a wealth of learning resources for children, teachers, and parents in addition to a variety of school and board information items. The public is encouraged to log on to www.oradellschool.org to catch a glimpse of school resources and operations.

Regular meetings of the Board of Education are open to the public and are typically scheduled on the first and third Wednesdays of the month. Meetings are held in the school's IMC (Library) at 350 Prospect Avenue and begin at 7:30 PM. A meeting schedule, meeting agenda, and highlights of the previous meeting can be accessed via the district web site.

ZONING PERMIT - WHEN & WHY NEEDED

A Zoning Permit is required for any change to a property covered under the current zoning ordinance and the provisions of the Land Use Code (Chapter 240). Some items that would require a Zoning Permit include, but are not limited to: Sheds, Fences, Driveways, Patios, Gazebos, Hot-Tubs, Generators, Retaining Walls, Signs and Awnings, AC Units or any structure or permanent item intended to be constructed and or placed on a property.

A Zoning Permit is a “prior approval” which is needed before certain types of construction can be approved. It includes but is not limited to: New Construction, Additions, Add-A-Levels, Decks, Swimming Pools, etc.

A Zoning Permit is required for any proposed change in business uses.

In order to obtain Zoning Permit approval, you must complete a Zoning Review Application in the Building Department or on line at www.oradell.org to the Building Department main page at the bottom of the page.

The form must be completed, include a copy of your survey/plot plan (no more than 5 years old, and a scale of 1:10 or 1:20) showing the proposed construction drawn to scale and highlighted on the survey.
