

Introducing

Saint Joseph Care Corner

Helping Hands for Health and Home

The Saint Joseph Care Corner (SJCC) is committed to helping people have access to personal hygiene and household products. We focus on items not easily obtained through food pantries or food stamps. We are presently coordinating with the following charities:

Meals With A Mission, Garfield
Catholic Charities of the Archdiocese of Newark
Center for Hope and Safety, Rochelle Park
New Hope, Westwood
Bergen County HHHSC, Hackensack
Family Promise, Ridgewood

The **SJCC** is located in the basement of the Retreat House with the entrance on the Grand Street side. Items currently needed are laundry detergent, dish liquid, paper towels, shampoo, conditioner, shower gel, deodorant, shaving cream, disposable razors and feminine hygiene products.

Donations can be dropped off anytime and placed in the storage container near the top of the stairs (Grand Street).

Donations will also be accepted by appointment. **SJCC** drives will be held periodically to acquire the needed items.

Monetary Donations will also be accepted by making a check out to: St Joseph Church – write **SJCC** in the memo line. All donations are tax deductible! To volunteer or donate to the **SJCC**, please contact Peg Kohli at 201-391-0224 or tkohli@optonline.net for any additional information you may need.

Your donations will impact many who live in our surrounding communities. Thank you for your support!
