NEW BUSINESS:

Mrs. Mena summarized the upcoming annual *Mayor's Wellness Campaign*. Rather than a focus on weight loss, this year's campaign will encompass health, fitness, mental health, nutrition, etc. The "kick-off" is Thursday but registration for participation extends through April 23. Among the events are 6 planned "drives" throughout the remainder of the year, the first being a Hygiene Drive (e.g., toothpaste, deodorant, etc.) with collection at the Veterans' Center containers, and items will be brought to the Franciscan Center. The second drive will be a "Snacks in Back Packs" drive. Mrs. Mena will forward information to OBOH members.

OLD BUSINESS:

Mrs. Alvarez, the Ambassador for *Stigma Free*, reported that *Stigma Free* will be involved in the 2021 Mayor's Wellness Campaign. On May 20, Lucas Wolfe will provide a reading from his book, My Perfect Life, which describes his fight with depression and suicidal ideation.

Mrs. Alvarez also noted that the *Community Outreach Committee* will be absorbed into *Stigma Free*, as considerable overlap was noted. She added that some frail seniors have been identified as applicable for services from a Community Health RN, and asked if the service could be provided on an ad hoc/hourly basis. Mrs. Schmidt will contact the RN identified last year to see if she is still available.

ADJOURNMENT:

Since there was no further business to be discussed, Ms. Battaglia moved that the April 12, 2021 meeting of the Oradell Board of Health be adjourned at 8:50 pm; the motion was seconded by Dr. Froonjian. Voting: all in favor, none opposed. The next meeting will be on May 10, 2021, at 8:00 pm via Zoom teleconferencing.

Respectfully submitted,

Catherine Yaxley-Schmidt
Chair, Oradell Board of Health
