# FROM MAYOR JAMES G. KOTH III

## THANKING OUR VETERANS

My fellow residents, as we begin the new year, I am excited about new beginnings and have great optimism for the year to come! I am humbled and excited as I embark upon my new journey as your Mayor and while there is much work to be done for the betterment of our community, two simple words are not expressed as often as they should be - **Thank You**. To the many people who volunteer and work for the Borough of Oradell, **Thank You** for all that you do! However, my message is focused on a much larger group that deserves much more than our thanks and appreciation, our Veterans and active-duty Service Members.

To our Veterans and active-duty Service Members who tirelessly and selflessly protect us, your unwavering commitment to our Country and the sacrifices you make have shaped the foundation of our freedom! Your resilience in the face of adversity and your commitment to a greater good are immeasurable. We owe you a debt of gratitude that can never truly be repaid. Your courage and dedication serve as a beacon of inspiration for us all. So, **Thank You** to all of our Veterans and active-duty Service Members, for the invaluable contributions you have made to safeguard our liberties.

The artwork in this year's calendar is the work product of Oradell's talented youth. Their artwork is dedicated to our Veterans and active-duty Service Members to whom we collectively say **Thank You** to as the theme of our 2024 Borough calendar. These colorful creations, filled with innocence and imagination serve as powerful symbols of appreciation for the sacrifices made by our Veterans and active-duty Service Members. Through their artwork, the children convey a profound understanding of the importance of courage and service before self. It is wonderful to see firsthand through the eyes and hands of the next generation how the service of our Veterans and active-duty Service Members is not only remembered but celebrated. Our youth is creating a lasting connection between past and future generations. On behalf of the residents of the Borough of Oradell, **Thank You** for your service and inspiring Oradell's children to create and provide us with such meaningful artistic expressions. To our children, **Thank You** for taking the time to show our Veterans and active-duty Service Members the respect they have earned and deserve. It is because of them that we enjoy the freedoms we are afforded each and every day. The next time you see a veteran or active service member, remember to thank them for all they do!

I wish you all the best for a healthy and prosperous year ahead!

James G. Koth III, Mayor

## FIRE DEPARTMENT

The Oradell Fire Department is 100% volunteer organization comprised of dedicated individuals who answer the calls for help whenever they arise. We respond to over 300 calls for assistance each year, and much more than fires, including car crashes, natural gas leaks, carbon monoxide incidents, water rescue, and other rescue situations. We're active in many community events including our popular Santa Sunday program, July 4th Parade, Boy and Girl Scout events, and Open Houses at Fire Headquarters.

An area of response that has increased for the Fire Department in recent years is response to fires involving Lithium-Ion batteries, especially those in micro mobility devices (e-bikes, e-scooters, hover boards ...). Often this is due to the use of third-party chargers or product misuse. Call 9-1-1 if there is any smoke of excessive heat coming from a device.

Oradell Fire recommends these tips when buying, charging, storing, and using lithium-ion batteries to help prevent fires:

- Stop using your device if the battery shows signs of damage, such as an unusual odor, excessive heat, popping sounds, swelling, or change in color.
- Only purchase and use devices, batteries, and charging equipment that are listed by a nationally recognized testing lab and labeled accordingly.
- Use charging equipment that is only compatible with your device.
- Do not put lithium-ion batteries in the trash. Recycling is always the best option.

The Fire Department is actively seeking new volunteers to join our organization. It's an exciting and rewarding way to serve your community, act and help neighbors when there are small emergencies, storms, and major incidents in town.

New members can join the department beginning at the age of 16. No experience is necessary and training is provided. Contact [JoinOFD@oradellfire.org](mailto:JoinOFD@oradellfire.org) or stop into the firehouse on Monday nights at 7:30PM to learn more

## DEPARTMENT of PUBLIC WORKS

The Department of Public works is comprised of seven divisions staffed by 18 fulltime employees. The Road Dept, Sewer Dept., Parks Dept., Building & Grounds, Fleet Maintenance, Shade Tree & Recycling together are responsible for the inspection and maintenance of the boroughs storm inlets, repairing and replacing street signs, maintaining 57 miles of borough owned roadways, inspecting and cleaning the boroughs sewer system, maintaining borough parks, playgrounds, open spaces, pruning, removing and replacing over 3000 shade trees, recycling, maintenance of all Borough owned vehicles and equipment, cleaning and maintaining borough buildings and facilities including two sewage pumping stations. Public Works employees are on call 24 hrs. a day 365 days a year responding to any emergency that threatens the boroughs infrastructure.

From mid-October to mid-December, the DPW picks up approximately 7,500 cubic yards of leaves from borough streets and parks and transports the leaves to an approved recycling depot for disposal.

Snow removal from Borough streets and lots is a major function of the DPW. At the beginning of a storm, four salt spreaders are dispatched to salt main arteries and hills. When there is approximately 2 inches of accumulation, ten plows and four salt spreaders are used to clear and de-ice streets. Under a contract with Bergen County, our DPW plows County roads in the Borough and is reimbursed for the cost of labor and materials. Residents can assist Borough snow removal operations by not parking on Borough streets during a snow storm. Residents are advised to remove basketball hoops from the right-of-way along the roadways. This may interfere with our plowing or leaf collection operations and the Borough will not be responsible for damages to these structures. Residents are responsible for removing snow from their sidewalks within 12 hours of daylight after it has fallen pursuant to Borough Code #224-1.

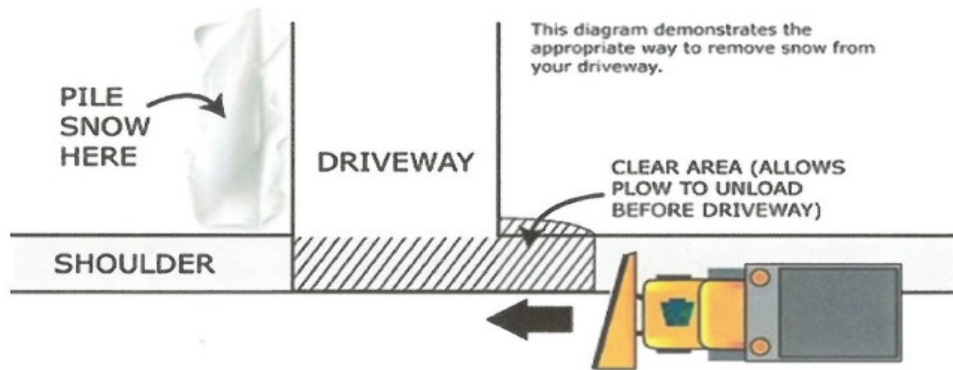

### DON'T THROW SNOW ON THE STREETS

**It's against Borough Code to shovel or plow snow in to the streets**

If you are experiencing a possible sewer backup, please call the Department to determine if the problem is in a Borough sewer line before calling an outside contractor. The DPW is only responsible for cleaning and maintaining Borough owned sewer mains, not individual service laterals.

201-261-8610, Monday through Friday from 7:30 AM to 3:15 PM

The high school offers a broad program including Honors and Advanced Placement programs, guidance and special educational services. An interdisciplinary approach with team teaching is featured in several middle and high school courses.

The River Dell Regional High School is a comprehensive high school which offers subjects that will prepare students to reach many different goals. River Dell sends approximately 95% of its students on to college; 88% of the class of 2022 was admitted to a four-year college.

Programs are designed to maximize student potential, develop responsible citizens, and promote respect for the unique skills and talents of all individuals. To complement these efforts, the Oradell PTA and Oradell Kids Foundation implement mini-grant programs that provide a variety of special activities and programs for students. The district also works in collaboration with the River Edge and River Dell districts to craft common curricula and professional development in order to enhance educational continuity across all grade levels.
